Week 9- Assessment Week (All) Week 10 and 11- Narrative <u>The three little pigs-</u> Tbat use a range of conjunctions Tbat write sentences with different forms Tbat to use a range of adjectives. (y2 expanded noun phrases) Tbat use a capital letter and full stop to punctuate a sentence. Tbat use the prefix un- Tbat can use the suffix -ly Tbat to use capital letters for names and for the personal pronoun I.	Year 1 W1 - To Read & Write Number Patterns W2 - To double and find near double To add and subtract to 15 W3 - To group and share W4 - To recognise $\frac{1}{2}$ and $\frac{1}{4}$. W5 - To measure time W6 - To measure weight, capacity and length. W7 - To recognise 2D and 3D shapes.- 2 days Money - 3 days W8 -To count 2's, 5's and 10's and recognise their place value. W9 - (Test week) To add and subtract totals to 10 W10 - To solve one step problems using multiplication or division (concrete objects, pictorial representations and arrays) W11 - Data handling. Year 2. W1 - Place value. To estimate and count to 100. W2 - To add and subtract using recall and mental strategies. To use partitioning and counting on strategies. W3 - To multiply and divide using grouping, sharing and times tables facts. W4- To find fractions of shape, quantity and sets of objects. W5- To measure time to the nearest quarter. W6 - To use different units of measurements. W7 - To know the properties of 2D and 3D shapes - 2 days. Money - 3 days W8 - To count in 2's,3's, 5's and 10's. W9 - (Test week) To add and subtract using mental calculation strategies. W10- To multiply and divide using grouping, sharing and times tables facts. W11 - To collect and represent data.	<u>How long are the days in spring?</u> Tbat observe and describe the weather associated with the seasons and how day length varies. <u>How does the weather change throughout the year?</u> Tbat observe changes across the 4 seasons. <u>Where do animals live?</u> Tbat identify and name a variety of plants and animals in their habitats. <u>Where do minibeasts live?</u> Tbat identify and name a variety of microhabitats and identify the creatures that live within them. <u>Why do animals live in certain habitats?</u> Tbat identify that most living things live in habitats to which they are suited and describe how different habitats provide for the basic needs of different kinds of animals and plants, and how they depend on each other. <u>What is a food chain?</u> Tbat describe how animals obtain food from plants and other animals, using the idea of a simple food chain, and identify and name different sources of food.	<u>Why was Queen Victoria Significant?</u> To know about the life of Queen Victoria and her importance in history. <u>How has life at home changed since the Victorian times? 2 lessons</u> Tbat comparing home life/ domestic life now and in Victorian times -laundry -kitchen tasks <u>How have objects in the home changed?</u> Tbat compare old and new artefacts- museum loans to help. <u>How were tasks at home completed in Victorian Times?</u> Tbat use secondary sources to find out how domestic tasks were done in living memory.	To know about different types of homes - terraced, semi- detached, detached, bungalow. To recognise old homes and new homes. Local walk/ fieldwork looking at homes in our locality. Tbat locate where they live on a map and the human and physical features around them. To know what homes are like in India (link to Tigers coming from India and the Tiger who came to tea) Look at homes in villages, towns and cities in India ensuring a range of homes are identified avoiding stereotyping and compare to different homes in the UK again looking at a range of homes. Tbat compare and contrast human and physical geography in India and Barton-upon-Humber - including the weather.	Spring 1 1.I can analyse a different source of authority (Christian text) about Creation 2.I can link this to the 'Big Story' of Christianity 3.I can make connections between ways of saying thank you that I've already learnt about 4.I know that Harvest festival is a way of saying thank you for gifts of the natural world 5.I can explore artistically ways of saying thank you across the Christian faith around the world (Dali Madonna) Spring 2 1.I can make connections with the gifts of the created world and the gift of Jesus 2.I know that there are all types of gifts and can design my own gift event 3.I know that Holi is a festival of thanks for Hindus through the text 'Festival of Colours' (narrative comprehension) 4.I can reflect of the significance of Holi for a Hindu follower (double entry journal) 5.I can respond to a big question 'Do you only have to say thank you if you believe in God?'	Week 9- Tbat Design and make a new cushion for the Old lady's chair in Squash and a Squeeze. Tbat evaluate different types of cushions- shapes and fabrics. FPT- Tbat join materials - staple, sellotape and sew Tbat add an animal motif - cutting skills and gluing skills Tbat make choices when designing a cushion based on skills they have acquired.	Drugs, Tobacco and Alcohol 1. Tbat explain what being healthy means and identify how to keep myself healthy 2. Tbat understand what medicines are and whywe need them 3. To know how to use medicine safely 4. To identify whether a substance will be harmful	Tbat analyse and evaluate an artists work. Tbat sketch using different media - looking at prospective and proportion. Tbat explore texture, pattern and line through relief printing. (natua objects!) Tbat create repeated patterns and show an understanding of how colours relate to mood (printing tiles) Tbat create a Paul Klee inspired piece.	Creating Media - Digital Phonography L1 - To use a digital device to take a photograph To make choices when taking a photograph To describe what makes a good photograph L2 - To decide how photographs can be improved To use tools to change an image To recognise that photos can be changed Creating Media - Digital writing L3 - To use a computer to write To add and remove text on a computer To identify that the look of text can be changed on a computer. L4- To make careful choices when changing text. To explain why I used the tools I chose. To compare typing on a computer to writing on paper.	Spring 1- Indoor - gym - floor Wk 1 To use different stepping gymnastic movements. Wk 2 To adapt and perform gymnastic movement Wk 3 To use different rolls. Wk 4 To perform a variety of rolls Wk 5 To create and perform a simple sequence. Wk 6 To create a complex sequence. Outdoor - sending and receiving Wk 1 To know basic principles of sending and receiving Wk 2 To know effective striking technique. Wk 3 To roll with accuracy Wk 4 To apply striking technique. Wk 5 To bounce a ball accurately to self and catch. Wk 6 To apply striking skills Spring 2 - Indoor - performance dance Week 1 - to explore dance moves. Week 2 - To learn dance moves. Week 3 - To perform a sequence of movement Week 4 - to create a original sequence. Week 5 - To perform a sequence of movements. Week 6 - To perform in time to music. Outdoor - games net/wall Week 1 -To develop hand / eye coordination Week 2 - To consolidate racket skills Week 3 - To develop racket skills Week 4 - To improve racket/eye coordination Week 5 -To consolidate racket/eye coordination. Week 6 -To hit with control.	Music Use their voices expressively and creatively by singing songs and speaking chants and rhymes Play tuned and untuned instruments musically Listen with concentration and understanding to a range of high-quality live and recorded music Experiment with, create, select and combine sounds using the inter-related dimensions of music. French Tbat count to dix(10) I can repeat the days of the week lundi, mardi, mercredi, jeudi, vendredi, samedi, dimanche I understand and can repeat regardez , ecoutez I can understand and repeat le nez, la bouche, les yeux Tbat listen to songs and rhymes

Year Group: Year 1 and 2

Topic Map: On the Move

Term: Autumn
