

## Family Reading Survey - Summary of Feedback

February 2020

### Families were pleased with:

- "Our daughter tells us that she reads a lot at school."
- "Reading at Barton St Peter's is a positive experience, she is encouraged to read a wide variety of books. She has also received treats for home reading which is a valued recognition of her efforts."
- "I strongly feel that my son's progress in reading is down to the amazing teachers who have put time and effort into him to help."
- "There are lots of choices of books - the new libraries are fab!"
- "Through the school's extra support, his reading has improved leaps and bounds!"
- "Since starting school, she's found her love of reading."
- "The recent update to the school libraries is fantastic, our son enjoys looking for new books and says that there is lots of variety."
- "He is highly motivated by the three reads a week."
- "The prompt cards for questions that you sent home is really useful to improve comprehension and vocabulary."
- "We love how you celebrate the three reads a week."
- "It's very clear how reading is valued at St Peter's."
- "She has progressed far more quickly than her sister who learnt to read the old way."
- "It's great that the three reads continues across the school and is checked regularly."

### Families asked us to:

Keep investing money in quality books for the school libraries.	£300 spent on new chapter books for KS2 library - February 2020. Additional books bought in the EYFS (set 1 sounds) for home reading.
Make sure my child changes their book.	3 reads monitored every week. All individual surveys shared with teachers.
Tell us more about how reading is taught in school.	One of the termly open classroom sessions will be a reading lesson
Make sure home reading isn't too easy.	3 reads monitored every week. All individual surveys shared with teachers.
More reading individually	All individual surveys shared with teachers. Stampers to be used in reading diaries. We have more volunteer readers in school this year to listen to children. STAR (Stop and Read) time.
